5. Fixed Term Deposit Accounts

Fixed Term Deposit Accounts are made on the basis of your agreement to deposit your funds with us for a fixed period of time at a guaranteed rate of interest. The interest rate will not change during the fixed term.

The Fixed Term Deposit is made on the basis that it is not withdrawn before the date of maturity. However, you may redeem a Fixed Term Deposit prior to maturity (in whole or in part), by providing us with up to 7 days written notice and subject to an interest penalty. An interest penalty of 1% per annum will apply to the portion withdrawn early, backdated to the date of the deposit. If we have already paid interest on the deposit subject to early withdrawal (for example if interest had been paid monthly) we may deduct the penalty interest from the balance of the funds withdrawn.

The amount on deposit can only be increased on maturity. Access to deposit or redeem funds can only be done through our Office. Interest can be paid monthly, quarterly or on maturity. Interest can only be added to your Term Deposit on maturity. Interest may be credited according to your instructions to your savings Account.

We reserve the right to set minimum and maximum amounts for deposits and terms. Please refer to the Interest Rate Schedule available on our Website or from our Office for the minimum and maximum deposits and terms available.

Deposits over the maximum amount on the schedule are subject to acceptance and negotiation. We may refuse to accept any deposit.

We will notify you that your Fixed Term Deposit is maturing approximately two (2) weeks prior to the maturity date. This will allow you to alter your original maturity instructions should you choose to, otherwise your original instructions will be acted on. If no instructions are received before the grace period expires the Term Deposit will be reinvested for the same time period but at the interest rate current as at the date of maturity.

6. Joint Accounts

A Joint Account is an account held in the name of more than one person. When you open a Joint Account the following points should be noted:

- Right of Survivorship applies. In the event of the death of one of the Joint Account Holders, any funds held in joint names will automatically pass to the surviving Joint Account Holder(s). Any debt will also pass on to the surviving Joint Account holder
- Joint and several liability applies. Each Account Holder is individually liable for the full amount owing on a Joint Account. Obligations are separate and together. If there is more than one Borrower, each of you is liable to us separately for the balance of the loan as well as together.
- The account is operated on an "either to sign" basis unless you specify otherwise. All Joint Account Holders must consent to the "Either to Sign" operating basis when the account is opened.
- Any one Joint Account Holder may cancel an "Either to Sign" instruction and the operation will revert to "All to Sign".
- "Either to Sign" means any one Joint Account Holder can authorise any action on the Account, including closure of the Account.
- "All to Sign" means all Joint Account Holders must sign together to authorise any action on the Account including closure of the Account.
- If there is a dispute between Joint Account Holders notified to us, we reserve the right to require all Account operations to be authorised by all Account Holders unless all parties agree in writing that "Either to Sign" can continue to operate.

7. Children's Accounts

Accounts may be opened by a Parent, Relative or Guardian on behalf of a Child (defined as under 18 years).

A Fire Service Credit Union Membership will be opened in the name of the Child. The Child will be a Fire Service Credit Union Shareholder. To open the Membership, the Child's Identification must be provided as per Section 3. The Child will be the owner of the Membership and the accounts and any credit funds are the property of the Child. The Child will also hold the taxation liability for any interest earned.

A Child qualifies for an **S12 Junior Firefighter Savings Account** which is an account specifically designed as a Children's Savings account. Other Savings and Fixed Term Deposit Account(s) may also be opened.

When Account(s) are opened for a **Child under 12 years**, there is no access to any funds in the Child's Account until the Child has registered their signature (generally considered old enough to register a consistent signature around 12 years or high school age). Exceptions may be made for withdrawals that are for the benefit of the Child (e.g. a cheque withdrawal in the Child's name for further investment).

We can add Parents(s), Relative or Guardian as an Authorised Signatory but the Account(s) will be "two to sign". This gives access to account information (including 'view only' on Internet Banking) but not for withdrawals until the Child has registered a signature.

A **Child over 12 years** may open a membership and account(s) for themselves, register their signature, operate on the account(s) and access the funds. The Child owner may have full access to Internet Banking, Mobile Banking and account information in the usual way and the Child owner may choose to add or remove an adult as an Authorised Signatory. Any Authorised Signatory may have full access to Internet Banking, Mobile Banking and account information in the usual way as per Section 9 below.

If you have opened an Account for a Child and they **turn 12 years old** or have started high school, they are able to register their signature. The Membership and Account(s) will remain “two to sign” until we are advised otherwise. You and the Child may agree together and sign jointly to change this if you wish.

When **the Child turns 18 years**, they are now an adult and therefore are no longer be eligible for a Child’s S12 Junior Firefighter Savings Account so the account will be closed and funds will be transferred into a new S1 Everyday Account on their membership. Any other accounts held, Internet Banking & Visa Debit cards are unaffected.

PLEASE NOTE: Account(s) opened for a Child under 12 years where the original “two to sign” has not been changed will remain ‘two to sign’ until we are advised otherwise by joint signatories.

CARD ACCESS: There are some requirements for Visa Debit Card access: regular deposits to the linked account and generally aged 14 years plus. Approval outside of these circumstances will be at the discretion of the Chief Executive Officer. Visa Debit cards are linked to a separate S1 Everyday Account not a S12 Junior Firefighter Savings Account.

8. Self-Managed Superannuation Funds

Existing Members may open Savings Accounts and Fixed Term Deposits for their Self-Managed Superannuation Funds (SMSF). However we are not taken to be aware of the terms of the Trust and we do not have to verify that transactions you carry out are authorised by the Trust or permitted by legislation.

We do not open any other form of Superannuation Fund or Trust Account.

9. Authority to Operate

You may authorise a person/s to operate on your Accounts. This must be in writing and the Authorised Signatory must be identified by us prior to accessing any Account. Such an authority will apply to all Accounts under your Membership unless you specify otherwise.

You may revoke the Authorised Person’s authority at any time by written notice to FSCU. The authority to operate will also cease to have effect upon the death of the Member granting the authority.

By granting authority to operate your accounts, you allow the person/s to:

- carry out deposits, withdrawals and transfers on the nominated Account/s
- enquire about balances and transactions on any nominated Account/s

FSCU is not liable for any loss or damage caused to you by persons you have authorised to operate on your Accounts except for loss or damage arising from fraudulent conduct by us or our employees or if we are liable under a statute or the ePayments Code.

Access to facilities such as Cards and Internet Banking must first be authorised by you.

10. Interest

Our Interest Rate Schedule, available from our Website or our Office, forms part of these General Terms and Conditions. The Interest Rate Schedule provides information about our Savings Account and Fixed Term Deposit interest rates including when interest is paid. We may vary the interest rates from time to time. Fixed Term Deposit interest rates remain fixed for the agreed term.

Interest is calculated on a daily basis on your closing Savings Account balance. The daily interest rate is the relevant account interest rate divided by 365 (or 366 in a leap year). The interest is accrued until credited to your Savings Account, or in the case of Fixed Term Deposits, as per your instructions. Interest earned is income and may be subject to income tax.

From time to time we may offer a higher rate or bonus rate to certain Account Holders or funds subject to a specified criteria and specific time period. Details of any offer including eligibility, how interest is calculated, how interest is paid, and any withdrawal restrictions will be publicised in promotional material available on our Website and from our office during the relevant period.

11. Tax Identification Number

You may wish to quote your Tax File Number (TFN) or Exemption to us, however this is not compulsory. If you do not quote your TFN or Exemption we are obligated to deduct Withholding Tax from interest earned at the top marginal rate.

For Joint Accounts, Withholding Tax will be deducted unless each Account Holder has quoted their TFN or Exemption.

Your TFN or Exemption will be applied to all accounts under your Membership. We will also apply your TFN or Exemption to any accounts you subsequently open unless you advise us otherwise.

For Non-Personal Accounts you may quote your Australian business Number (ABN) instead of your TFN.

If you have a tax liability in a country other than Australia, you must provide us with your Date of Birth and Taxpayer Identification Number and County.

12. Account Combination

We may set off the credit balance of any of your Deposit Accounts and the value of your Membership Share against any debt owing by you to FSCU.

This may become necessary if, for example one of your Accounts becomes overdrawn or in payment of any amount overdue on any Loan Account in the same name or business account operated by you.

Only credit funds held in an Account in the same name may be utilised for this purpose. We will not use funds held in your name in trust for a Child for this purpose. This right will not be exercised where to do so would breach the “Code of Operation: Recovery of Debts from Department of Human Services Income Support Payments or Department of Veterans’ Affairs Payments”. We will attempt to notify you after exercising this right.

13. Overdrawn Accounts

You are responsible for maintaining in your Account(s) sufficient cleared funds to cover all payments and drawings on the day(s) you have nominated for payment. You should take particular care where you have scheduled payments to occur on a future date.

We do not agree to provide any credit on your Account(s) unless you have applied for and had approved an Overdraft facility. If you withdraw more than the available balance from your Account, the amount overdrawn is immediately payable by you without further demand by us.

The available balance is comprised of cash deposits, direct credits processed to your Account and the proceeds of cleared cheque deposits as well as any available credit we have provided such as an Overdraft. Any outstanding card transactions are subtracted from the available balance.

You may be charged an overdrawn account fee and be liable for any reasonable legal fees we incur in recovering the amount from you. The Default Rate of Interest is payable on Overdrafts over the approved limit and Overdrawn Savings accounts with no pre-approved limit.

14. Closing an Account

You can close Accounts at any time. To close an Account your instruction must be in accordance with the Account operating authority if more than two signatures are required.

You will be required to return or provide evidence that you have destroyed any Cheque Books or Access Cards. Please refer to section 55 for cancelling Cards and Electronic Access facilities. We may defer closure and withhold sufficient funds to cover payment of outstanding cheques, fees, and electronic transactions.

We may close your Account and Access facilities due to unsatisfactory conduct or any other reason we consider appropriate. We will provide 14 days' notice to your last known address and pay you any credit balance. We may cancel your Cheque facility at any time for security reasons or if you are in breach of these General Terms and Conditions.

15. Deceased Accounts

In the case of Joint Accounts, the law of survivorship and liability applies as indicated under Section 6: Joint Accounts.

For Single Accounts, once we are notified of the Member's death the Account is restricted pending instructions from the Executors or Administrators. Any Authority to operate ceases to have effect.

Fire Service Credit Union has the ability to appropriate any credit balance held in the deceased's account towards the repayment of any debt owed to Fire Service Credit Union.

Until finalisation of the Estate, funds can only be drawn for funeral expenses and any Estate costs.

16. Account Statements

Account Statements will be provided monthly if you have an overdraft facility on your Account. In all other cases we provide you a Statement at least every six (6) months.

You can ask for a duplicate Statement at any time however we may charge a fee for this.

For Joint Accounts we will only send one Statement to the primary Joint Member. Joint Account Holders may request to receive Statements at any time.

You should check your Account Statement as soon as you receive it and you agree to notify us without delay of any error or unauthorised transaction.

Effective 1/4/2017, Fire Service Credit Union will no longer automatically issue paper statements to members who are registered for Internet Banking. You will receive your eStatement via secure Internet Banking. To receive paper statements you will need to 'opt out' of eStatements via Internet Banking.

Please note in some situations issuing a paper statement may incur a fee. For further information refer to our website or contact our office

17. Change of Name or Address

If you change your name, email, phone number or address please advise us immediately.

If you change your name we will require documentary proof before any account titles and Access facilities are amended. All other changes can be made via Internet Banking.

18. Dormant Accounts

Your membership will become dormant if you have not operated your accounts for 12 months.

When this happens, we may charge you a dormant account fee, cancel any or all access methods and stop paying or accruing interest.

If there have been no transactions carried out on your account for at least 12 months (except transactions initiated by us such as interest, fee and charges), we may close the account.

Once your membership becomes dormant we will charge an annual dormancy fee.

As per our Constitution, we may determine your deposit account as dormant and redeem your member share

If your account remains dormant for the period prescribed under the Banking Act as amended from time to time, any prescribed balances over \$500 will be remitted to the Australian Securities and Investment Commission (ASIC) as unclaimed monies.

Payments made to Accounts in error may be recalled by the remitting institution. FSCU does not accept liability for funds credited in error to your Accounts due to incorrect Account number and/or Account name being supplied by the remitter.

Where a payment has been made to your Account in error we will debit your Account that received the payment for the amount of the incorrect credit. If there are insufficient funds to cover the recalled amount you agree to incur and repay the debt up to the amount of the recalled payment and any associated fees incurred in retrieving the recalled payment. If the amount of any Cheque presented for payment to the Bank exceeds the available balance in your Account at the time of presentation we may instruct the Bank to dishonour your Cheque and pass on any dishonour fee. We will advise you as soon as possible if this occurs. The available balance is comprised of cash deposits, Direct Credits processed to your Account, the proceeds of cleared Cheque deposits and any available credit we have provided such as an Overdraft. Any outstanding card transactions are subtracted from the available balance.

We have the discretion to (but under no obligation to do so) pay a correctly authorised and presented Cheque and overdraw your Account for this purpose. Please refer to Section 13 Overdrawn Accounts.

You agree that our rights and liabilities in relation to this facility shall be as if we were a Bank and Collecting Bank as defined in the Cheques Act 1986.

24.1 Stopping a Member Cheque

You can cancel or stop payment on a Cheque before we have paid it. If the Cheque has been presented and paid, we cannot stop payment on it. You may be charged a fee as detailed in our Fees and Charges schedule.

You should note that we cannot stop payment on a Credit Union Corporate Cheque if you used it to buy goods and services and you are not happy with them. In this instance you must seek redress from the provider of the goods or services.

If a Credit Union Corporate Cheque is lost or stolen, you can ask us to stop payment on it. This request must be in writing on our prescribed form available from our Office. You will also be required to indemnify us from claims that you wrongfully authorised stopping the cheque.

26. Direct Debits

You can authorise a participating Biller to debit amounts from your Account as and when you owe them to the Biller. The Biller will provide you with a Direct Debit Request (DDR) Service Agreement for you to complete and sign to authorise this arrangement.

You should note that the following information does not apply to Direct Debits established by providing your Visa Debit card details. These are covered under Visa Scheme rules, see Section 45.

To cancel the DDR you can contact either the remitter or us. If you contact us we will promptly stop the facility. We suggest you also contact the Biller without delay to cancel the DDR. If you have multiple Direct Debits from the same Biller, you must also contact the Biller to ensure the correct debit is stopped and that your other debits are still paid as all debits from the one Biller could be stopped.

If you believe a Direct Debit initiated by a Biller is incorrect you should contact the Biller. Alternatively, you may contact us. If you provide us the information we require, we will forward your claim to the Biller. We are not liable to compensate you for the Biller's error.

We can cancel your Direct Debit facility in our absolute discretion if 3 consecutive Direct Debit instructions are dishonoured. If we do this, the Biller will not be able to initiate a Direct Debit from your Account under their DDR Service Agreement. The Biller may charge you a fee for each dishonour of their Direct Debit request.

We will also charge you a fee for Direct Debit dishonours as detailed in the Fees and Charges Schedule.

We have the discretion to (but under no obligation to do so) pay a Direct Debit and overdraw your account for this purpose. We will also charge a Direct Debit Honour fee as detailed in the Fees and Charges Schedule.

27. Periodical Payments

We will accept Periodical Payment requests to transfer funds from your Account on the following conditions:

- Completion of the Credit Union's form and signed as per the Account's operating authority; or,
- You may log on to Internet Banking and establish a regular payment arrangement.

Terms and Conditions for payments set up by you in Internet Banking are detailed in Section 35 of this document.

The following conditions apply to Periodical Payments manually set up by completion of the form.

The Periodical Payment authority will remain in force until either:

- The cancellation date you have nominated on the form, or
- Request from you to cancel or amend the authority, or
- Authority is cancelled by you via Internet Banking, or
- Notice of death or bankruptcy of Member, or
- Authority is cancelled by us.

We will pay Periodical Payments electronically for external parties and transfers to other FSCU Accounts. If the due date is a weekend or public holiday payment will be made on the next business day.

We will only make a Periodical Payment if there are sufficient clear funds in the Account on the nominated date for transfer. At our discretion we may search for clear funds for up to 5 days. You may be charged a fee if payment cannot be made. If sufficient clear funds are not in your Account on more than 5 consecutive occasions (after 5 attempts on each occasion) we will cancel the Periodical Payment authority. We will advise you in writing.

Although we will endeavour to effect Periodical Payments we accept no responsibility to make them. Accordingly we shall not incur any liability through any refusal or omission to follow any such instruction.

If the Periodical Payment is for a loan with FSCU and there are not sufficient funds to make the payment, we may at any time debit your Account from which the payment is made for any amount up to the amount due. However we will not overdraw your Account or exceed any credit limit in doing so.

You should note that:

- This does not apply to BPAY.
- It may not always be possible to recover funds from an unintended recipient.
- Over payments cannot be recovered under this process. You must contact the payee to recover the overpaid amount.

You must notify us immediately if you think you have made a mistake in entering the payee's Account number and/or BSB when making a payment. We will acknowledge receipt of your report of a Mistaken Internet Payment and provide you with a reference number.

If we are satisfied that there has been a Mistaken Internet Payment we will contact the receiving ADI and follow the process below. If we are not satisfied that a Mistaken Internet Payment has been made we will advise you accordingly.

Report within 10 business days of making the transaction and funds still in recipient's Account:

If the receiving ADI agrees there has been a Mistaken Internet Payment and there are sufficient funds in the unintended recipient's Account, the receiving ADI must return the funds to FSCU within a maximum of 10 business days. We will promptly credit your Account.

Report between 10 business days and 7 months of making the transaction and funds still in the recipients Account:

The receiving ADI has 10 business days from receiving the report from FSCU to complete its investigations. If it agrees that a Mistaken Internet Payment has been made it should return your funds to FSCU within a further 2 business days. We will promptly credit your Account.

Report made after 7 months of making the transaction and funds still in recipients Account:

The receiving ADI, if it agrees that a Mistaken Internet Payment has been made, must obtain the unintended recipient's permission to return the funds. This may take some time. If permission is not granted you may not recover your funds and we will not be liable to reimburse you for any amount.

Regardless of when the report is made, if the receiving ADI is not satisfied that a Mistaken Internet Payment has been made they may take no further action or they may request the unintended recipient to return the funds voluntarily. We will not be liable to reimburse you for any amount.

Where there are insufficient credit funds regardless of when report is made:

If the receiving ADI agrees there has been a Mistaken Internet Payment but there are insufficient credit funds in the unintended recipient's Account, the receiving ADI must make reasonable endeavours to retrieve the funds such as by a repayment arrangement. However you may not recover all or any of the Mistaken Internet Payment and we will not be liable to reimburse you for any amount.

In all circumstances, we will notify you in writing of the results of our investigations or whether further time is required within 30 business days of your Mistaken Internet Payment report. We will advise of any further action you may take including taking the matter to our External Dispute Resolution Scheme.

39. Mistaken Interment Payments Credited to your Account

We may be contacted by a sending ADI regarding a Mistaken Internet Payment credited to your Account. FSCU is obliged to investigate. If we are satisfied that a Mistaken Internet Payment has been credited to your Account FSCU must take the following action depending on when the funds were credited to your Account and if the funds are still in your Account.

Report of Mistaken Internet Payment into your Account within 10 days of transaction:

If we are satisfied that a Mistaken Internet Payment has been credited to your Account we will withdraw the funds and return them to the sending ADI. We do not require your consent however we will advise you should this circumstance arise.

Report of Mistaken Internet Payment into your Account between 10 days and 7 months of transaction:

- We will place a hold on the funds in your Account to the value of the transaction.
- We will notify you of the report of a Mistaken Internet Payment and advise that unless you can establish an entitlement to the funds within 10 days we will withdraw the funds and return them to the sending ADI.

Report of Mistaken Internet Payment into your Account after 7 months of transaction:

We will notify you of the report and seek your consent to withdraw the funds and return them to the sending ADI.

Where there are insufficient credit funds in your Account:

Regardless of when the report is made, we will contact you to arrange repayment of the Mistaken Internet Payment.

There may be circumstances where we cannot be satisfied that a Mistaken Internet Payment has been credited to your Account, nevertheless, we may still contact you requesting the return of the funds on a voluntary basis.

If you are in receipt of income support payments from Centrelink we will only recover funds from you in accordance with the "Code of Operation: Recovery of Debts from Department of Human Services Income Support Payments or Department of Veterans' Affairs Payments".

We will advise you of the results of our investigations in writing and advise you of any further actions you can take including referring the matter to our External Dispute Resolution Service.

40. Using BPAY

We are a Member of BPAY. We will tell you if we are no longer a Member of BPAY.

BPAY can be used to pay bills bearing the BPAY logo as a one off payment, a future dated payment or a regular payment. We will advise you if and when other transactions can be made using BPAY.

When you tell us to make a BPAY Payment you must tell us the Biller's code number (found on your bill), your Customer Reference Number (found on your bill), the amount to be paid and the Account from which the amount is to be paid.

You acknowledge that we are not required to effect a BPAY Payment if you do not give us all the information specified above, or if any of the information you give us is inaccurate.

We will debit the value of each BPAY Payment and any applicable fees to the Account from which the relevant BPAY Payment is made.

If you instruct us to make any BPAY Payment, but close the Account to be debited before the BPAY Payment is processed, you will remain liable for any dishonour fees incurred in respect of that BPAY Payment.

You acknowledge that Third Party organisations (such as Billers or other Financial Institutions) may impose additional restrictions on your access and use of BPAY.

You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not, or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and the Biller.

41. Processing of BPAY Payments

A BPAY Payment instruction is irrevocable. Except for future-dated payments (see section 42), you cannot stop a BPAY Payment once you have instructed us to make it and we cannot reverse it. We will treat your BPAY Payment instruction as valid, if when you give it to us, you use the correct Access Method.

You should notify us immediately if you think that you have made a mistake (except for a mistake as to the amount you meant to pay – for these errors see section 41) when making a BPAY Payment or if you did not authorise a BPAY Payment that has been made from your Account.

If we are advised that your payment cannot be processed by a Biller, we will:

- Advise you of this;
- Credit your Account with the amount of the BPAY Payment;
- Take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.

42. BPAY Mistaken Amounts

You must be careful to ensure you tell us the correct amount you wish to pay. If you make a BPAY Payment and later discover that:

- The amount you paid was greater than the amount you needed to pay, you must contact the Biller to obtain a refund of the excess;
- The amount you paid was less than the amount you needed to pay, you can make another BPAY Payment for the difference between the amount you actually paid and the amount you needed to pay.

43. Future Dated BPAY and Internet Payments

You may arrange future dated payments. If you use this option you should be aware that:

- You are responsible for maintaining, in the Account to be drawn on, sufficient cleared funds to cover all future dated payments (and any other drawings) on the day(s) you have nominated for payment or, if the Account is a credit facility and if we have agreed that the credit facility may be used for that purpose, there must be sufficient available credit for that purpose.
- If there are insufficient cleared funds or, as relevant, insufficient available credit, the BPAY Payment or internet payment will retry for a further five (5) Business Banking days before the payment is considered to be rejected. Once the payment has been rejected five (5) times the payment will automatically be cancelled and you may be charged a dishonour fee if this fee forms part of our Fees and Charges Schedule.
- You are responsible for checking your Account transaction details or Account Statement to ensure the future dated payment is made correctly.
- You should contact us if there are any problems with your future dated payment(s).
- You must contact us if you wish to cancel a future dated payment after you have given the direction but before the date of payment. You cannot stop the payment on or after that date.

44. Visa Debit Card (including Digital Wallet)

- You agree to sign your Visa Debit card immediately upon receiving it and before using it. You must also ensure that any other cardholder you authorise also signs their Visa Debit card immediately upon receipt and before using it.
- Visa Debit cards will automatically reissue unless section 55 applies.
- We will advise you from time to time of the transactions that may be performed using the Visa Debit card. You can only use your Visa Debit card to perform transactions on the nominated Savings Account. Your transactions will not necessarily be processed to your Account on the same day.
- We will also advise you of the EFT terminals of other Financial Institutions that may be used and your daily combined cash and EFTPOS limit. You should also refer to the Fees and Charges Schedule for fees that may apply to your transactions.
- You can conduct transactions using your Card up to \$35 without entering your PIN as long as these transactions are conducted face-to-face at a participating Merchant outlet. The Merchant must provide you with a receipt for the transaction if you request.
- You agree that FSCU has the right to decline authorisation for any EFT transaction for any reason. We will not be liable to you or any Third Party for any loss or damage as a result of a declined authorisation.
- If we issue you with a Visa Debit payWave card (identifiable by the payWave logo) you will be able to make purchases under \$100 (up to a total of \$500 per day or 15 transactions per day) at participating Merchants by tapping your card against the contactless reader. If your purchase is over \$100 you will need to enter your passcode.
- The Visa Debit card remains the property of FSCU.

Card Renewal

New cards are automatically reordered before the expiry date of your existing card unless:

- you are in breach of these terms and conditions;
- we determine that you should not be issued with a replacement card for the security of us or your account; or
- we are not satisfied with the conduct of your account. If you do not wish to receive a replacement card, you should contact us before the current card expires.

45. Digital Wallet

Registration of your Visa card into a digital wallet is subject to us identifying and verifying you. It is our discretion to allow you to register. Once registered, you can make purchases at participating merchants as if the device was a Visa payWave enabled card. The same conditions apply to your transactions using a digital wallet as transactions using your Visa card.

We do not charge for allowing registration of a digital wallet but there may be charges by your telecommunications provider for using the device.

We do not guarantee that a digital wallet will be accepted by all merchants and we are not liable to you for any loss you suffer if a merchant refuses to accept a digital wallet.

There will be additional terms and conditions issued by the digital wallet provider and your telecommunications provider. We are not the provider of the digital wallet and not responsible for its use and function and questions about its use or problems must be directed to the digital wallet provider. The digital wallet provider is responsible for security breaches affecting information stored in and sent from a digital wallet.

Follow the procedures of the digital wallet provider to remove your Visa card from a digital wallet.

At any time we can block you adding your Visa card to a digital wallet, suspend your ability to use your Visa card to make purchases using a digital wallet or cancel your ability to use your Visa card in a digital wallet. We may do this for any reason such as suspected fraud, if you have an overdue or negative balance on your account, if the law changes or we are directed to do so by the digital wallet provider or by the applicable card scheme. We can cease to support digital wallets at any time.

By registering, you agree that we may exchange information about you with the digital wallet provider and the applicable card scheme to enable the use or the improvement of the digital wallet, and providing information to you about your digital wallet transactions.

WARNING: If you add a card to one of your devices and have other devices sharing the same account this may allow your card to be added to the other devices and permit the users of those devices to see card information. Contact your digital wallet provider for more information.

46. Using Visa Debit Card outside Australia

- Use of the Visa debit card outside Australia must comply with any exchange control requirements.
- All transactions made overseas on the Visa Debit card will be converted into Australian currency by Visa International and calculated at a wholesale market rate selected by Visa from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the date on which Visa processes the transaction.
- All transactions made overseas on the Visa Debit card are subject to a conversion fee equal to 2.5% of the value of the transaction and payable to CUSCAL as the principle Member

of Visa International. This currency conversion fee is subject to change and we will advise you in advance of any change.

- Some overseas Merchants and EFT terminals charge a surcharge for making an EFT transaction. Once you have confirmed that transaction you will not be able to dispute the surcharge. It may appear on your Statement as part of the purchase price.
- Some overseas Merchants and EFT Terminals allow a cardholder the option to convert the value of the transaction into Australian dollars at the point of sale, also known as Dynamic Currency Conversion. Once you have confirmed the transaction you will not be able to dispute the exchange rate applied.
- Before travelling overseas you should:
 - Obtain the Card Hotline phone number for Visa International in the country of your destination.
 - Let us know your travel plans so we are aware of the potential for changed or unusual spending patterns while you are away and can alert our 24/7 fraud monitoring service.
 - Be aware that some overseas Merchants may require your signature to authorise a transaction.
 - Be particularly aware to always check your Statement carefully and advise us promptly of any unauthorised transactions.
- A cardholder must comply with all applicable exchange control and tax laws governing the use of the card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.

47. Visa Debit Card Regular Payment Arrangements

You can use your Visa Debit card to establish a regular payment arrangement. These arrangements are not covered by the Direct Debit conditions in Section 26 but are governed by Visa Scheme Rules.

To change or cancel any regular payment arrangement you should contact the Merchant at least 15 days prior to the next scheduled payment. You should retain a copy of this change or cancellation request.

Until you cancel the regular payment with the Merchant FSCU is obliged to process the payment.

If the Merchant does not comply with your request to cancel the regular payment you must send FSCU a copy of your cancellation request to enable us to dispute the ongoing payment on your behalf under the chargeback provisions below.

Should your card details change (e.g. lost, stolen, expired) or your Account is closed then you must request the Merchant to change the details of your regular payment. If you fail to do so your regular payment may not be honoured and the Merchant may no longer provide the goods or services.

48. Chargebacks for Visa Debit Card

You should inform us as soon as possible if you become aware of circumstances which might entitle you to a chargeback.

If a Visa Debit card transaction was:

- unauthorised,
- for goods or services that the Merchant did not deliver,

Then you can ask us to chargeback the transaction by reversing the payment to the Merchant's Financial Institution.

You must inform us of the disputed transaction within the timeframes set by Visa International for us to be able to attempt a

chargeback. The current shortest notification time is 45 days. In some circumstances where the ePayments Code of Conduct applies the time limits may not apply.

You are not able to reverse a transaction authenticated by Verified by Visa unless FSCU is liable under the ePayment Code.

Use after cancellation or expiry of Visa Debit card

You must not use your Visa Debit card:

- after the valid date shown on the face of the Visa Debit card, or
- after the Visa Debit Card has been cancelled.

You will continue to be liable to reimburse us for any indebtedness incurred through such use whether or not you have closed your Account.

49. Exclusions of Warranties and Representations

We do not warrant that Merchants or EFT terminals displaying the Visa card logo or promotional material will accept the Visa Debit card.

We do not accept any responsibility should a Merchant or Financial Institution displaying Visa signs or promotional material refuse to accept or honour the Visa Debit card.

We are not responsible for any defects in the goods and services you acquire through the use of the Visa Debit Card. Any complaints about goods and services must be addressed with the Merchant.

50. Your Liability for Electronic Transactions
