

# Additional Signatory: Non-Personal Authority

Membership number / Account number

Member name

I/we authorise the person whose name and signature appears below, to operate on the Membership and to seek access from the Credit Union to any information concerning the Membership. I/we agree to indemnify the Credit Union against any loss, damage or penalty which it may incur arising out of the operation of this authority, provided that the Credit Union has acted within the terms of this authority. I/we declare that the Credit Union may act upon this Authority until it has received my/our written instructions to the contrary. Such authority, however, does not apply to loan applications, collection of loan funds, and closure of accounts.
